

Fall 2009 Parking Information

Parking Tips During Construction

 Napa Valley College has added overflow parking areas during construction. Learn where overflow parking is located and check for updated parking information by visiting the NVC website at: www.napavalley.edu

 Arrive on campus early for classes (45 minutes recommended)

 Use signage and traffic control staff to help you find parking

 Consider alternate forms of transportation: carpooling, public transportation, bicycles

 Please be patient

Parking permit requirement will not be enforced until August 31, 2009
