2007-2008 College Planning Priorities

1. Increase FTES
2. Increase student retention
3. Increase persistence
4. Continue to develop student learning outcomes at the program level and incorporate SLOs and the assessment of the SLOs at the course, program and institution levels.
5. Strengthen the Program Evaluation and Planning (PEP) Process and build the link to institutional planning and budgeting.
6. Increase diversity among faculty and staff

Approved by Planning Committee, November 17, 2006
Approved by Board of Trustees, December 14, 2006
