In addition, any member of the public or the campus community will be given the opportunity to speak, make comments, suggestions, or ask questions.

9.0 ACTION ITEMS

9.1 Naming of the Building in Honor of Dr. McCarthy
Since the passing of Dr. McCarthy, there has been spontaneous discussion across the campus regarding the naming of one of the new buildings in honor of his lasting contribution to Napa Valley College and to the transformation of campus facilities. Because he loved language, was a gifted writer of poetry and fiction, and was appreciated campus-wide for his eloquence, the consensus from the campus community has been that the new Library and Learning Resource Center would be the most fitting building to be named in his honor.

To ensure broad participation and respect the importance of shared decision-making, input from students, faculty, staff, Board of Trustees, and the Napa Valley College Foundation has been solicited, and feedback is currently being accepted. Based on that input, a recommendation will be made at the meeting. Included in the discussion will be selecting from among the following names for the library: The Dr. J. Christopher McCarthy Library (this more formal name was Dr. McCarthy’s preference for the dedication plaque for the new Ceramics Building); The Dr. Chris McCarthy Library; The Chris McCarthy Library; The McCarthy Library; or the McCarthy Center.

If appropriate, the board will take action at the meeting.

9.2 Approval of the Use of a Presidential Search Consultant
As stated in agenda item 8.2 above, the board is considering the use of a presidential search consultant to assist the college in identifying appropriate applicants for a new superintendent/president. Contingent upon input, suggestions, and discussion that takes place on agenda item 8.2 above, the board may decide to move forward on the process to select a presidential search consultant. If appropriate, the board may take action at the meeting.

9.3 Award of Bid for the Performing Arts Center Signage Project Bid Award
Bids were opened in public on October 14, 2009 for this project to manufacture and install a building monument sign, room identification signs, and wayfinding signs in the Performing Arts Center.

9.4 LLRC Brayton Furniture Project Bid Award
Bids were opened in public on October 13, 2009 for this project to supply Brayton furniture for the Library and Learning Resource Center. A recommendation will be made at the meeting.

9.5 Approval of Resolution of the Napa Valley Community College District to Withdraw from the School Excess Liability Fund Joint Powers Authority
Currently, the Schools Excess Liability Fund Joint Powers Agreement (SELF) provides $20,000,000 of excess liability coverage to Napa Valley Community College District beyond the $5,000,000 primary liability coverage provided by the Statewide Association of Community College Joint Powers Agreement (SWACC). SELF has been steadily increasing rates for several years and is no longer seen as the best vehicle for that layer of excess liability coverage. Notice of intent to withdraw from SELF must be filed by December 31, 2009 to withdraw on July 1, 2010. See backup page 34.

**Recommendation:** Staff recommends approval of resolution to withdraw from SELF and recommends purchasing excessive liability insurance coverage directly from SWACC.

### 9.6 Approval of Revision to the Planning and Budget Process Policy

The Planning and Budget Process Policy, originally drafted in 1994, has been updated to reflect current job titles; identify proper Education Code sections; recognize the Classified and Administrative Senates, which were created since the policy was written; recognize the name change to the Associated Students of Napa Valley College; and add two non-voting members (Director of Institutional Research and the Student Learning Outcomes and Assessment Coordinator) to the Planning Committee. As noted in the policy, changes shall be determined by mutual agreement of the Board of Trustees and the Academic Senate. The changes have been recommended by the Planning Committee and approved by the Academic Senate. See backup pages 35 through 51.

**Recommendation:** It is recommended that the Board of Trustees approve the revision to the Planning and Budget Process Policy.
