10.7  Approval of Resolution in Support of Napa Valley Unified School District’s Measure G
Napa Valley Unified School District has placed a bond measure on the November, 2006 ballot that addresses overcrowding in the Napa County high schools. The funds would be used to alleviate overcrowding in the high schools and would enable Napa Valley Unified School District to build a high school in American Canyon.

Recommendation: It is recommended that the Board of Trustees approve the resolution in support of Napa Valley Unified School District Measure G that is on the ballot for the November, 2006 election.
