“SECTION 7: STUDENT STANDARDS & PRACTICES COMMITTEE
The Student Standards & Practices Committee shall provide advocacy for students and faculty on student standards and practices that promote an inspirational and fair learning environment.
Membership: The committee will consist of 4-5 Academic Senate members, including a counselor. Non-Senate members are: the Vice President of Student Services, the Coordinator of Student Life and one student appointed by the Associated Student Body. The Student Standards & Practices Committee shall:
1. Support student matriculation and involvement in college-sponsored activities outside the classroom.
2. Ensure adequate communication to students and faculty of campus policies.
3. Provide feedback to Student Services, as required, on policies and programs, either existing or under development.
4. Identify areas germane to student standards and practices that may require policy and procedural development and contribute to them as needed.
5. Provide representatives on behalf of the Academic Senate in student grievance procedures.
6. Provide feedback to the Academic Senate on actions as described above.
7. Serve as advisory committee to the department of Student Life.”
