IMPORTANT Please note: Use your WebAdvisor username and password for Canvas. Your WebAdvisor username is your first initial, followed by your last name and then the last 5 digits of your student ID. Here’s an example for Andrea Smith:

```
asmith67890@student.napavalley.edu
```

Your password is your 6 digit birthday in this format MM-DD-YY. There must be two digits for each, so add a zero if necessary. Example: birthday is 3/2/1998, the password would be: 03/02/98

If you have changed your WebAdvisor password from your six digit birthdate (which is the default), then use that password to log into Canvas

```
smithp12345@student.napavalley.edu
```

then you need to contact the IT department at 256-7550
