

Napa Valley College  
 Intersegmental General Education Transfer Curriculum (IGETC)  
**Effective fall 2011 through summer 2012**

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit you to transfer from a community college to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. All campuses will accept IGETC EXCEPT for UC, San Diego's Eleanor Roosevelt and Revelle Colleges and UC, Berkeley's School of Business Administration.

The IGETC is not advisable for all transfer students. If you are pursuing a major that requires extensive lower-division preparation you may be better served by taking courses which fulfill the CSU General Education-Breadth requirements or those of the UC campus or college to which you plan to transfer. Majors include, but are NOT LIMITED to: Engineering, Business, Pre-professional programs.

Certification: Be sure to request certification when requesting transcripts be sent to your choice of university or college. All courses MUST be completed with grades of "C" or better. Please consult with a counselor or the transcript evaluator regarding the use of courses from other colleges or universities. Students who choose to use the IGETC pattern are expected to complete all of the requirements of the pattern before transferring to a UC or CSU campus. However, if a student is unable to complete one or two IGETC courses he/she may be eligible for partial certification. Students should consult with a counselor for details regarding this option.

Restrictions: Student who have been registered at a UC campus may not be eligible for IGETC. Students should consult with a counselor regarding this issue. This restriction, though, does not apply to students who have taken only UC summer session or Extension classes.
