NVC Women in STEM Club

Napa Valley College Women in STEM club seeks to advance equity for women in STEM. We hope to unite STEM women with their peers to form a network of like-minded women for support through academics and for future professions. To get more women interested in STEM fields we will reach out to the community and hold events to showcase women in STEM professions.

SHPE Mission  http://shpe.org

The full acronym stands for the Society of Hispanic Professional Engineers (SHPE). The objective was to form a national organization of professional engineers to serve as role models in the Hispanic community.

The concept of Networking was the key basis for the organization. SHPE quickly established two student chapters to begin the network that would grow to encompass the nation as well as reach countries outside the United States. Today, SHPE enjoys a strong but independent network of professional and student chapters throughout the nation.

SACNAS  http://sacnas.org  Email:  nvcsacnas@gmail.com

The full acronym stands for Society for Advancement of Hispanics/Chicanos and Native Americans in Science.

Mission SACNAS is a society of scientists dedicated to fostering the success of Hispanic/Chicano and Native American scientists—from college students to professionals—to attain advanced degrees, careers, and positions of leadership in science.
