

The LGBT Education Program at Napa Valley College offers a two-year degree, a certificate, and a variety of fee-based and non-credit courses. The goals of the program are to:

1. Prepare students to serve and support LGBT people in health care, education, child care, administration of justice, social services, hospitality, tourism, business and related industries.
2. Prepare teachers with the knowledge required to deliver curriculum required by the Fair and Inclusive Education Act and to effectively support LGBT students.
3. To provide students with a better understanding of themselves and their own relationship as an ally or member of the LGBT community.
