- ADTs and CTE Degrees and Certificates (those with an asterisk* in their TOP code) are not automatically chaptered by the Chancellor's Office. It can take up to 3 months for them to be reviewed and approved. It is strongly suggested that these degrees and certificates be submitted in time for the January Board of Trustees meeting to allow time for approval by the Chancellor's Office. Changes to these types of degrees and certificates cannot be made in the catalog until they are approved by the Chancellor's Office.
