

California creates new job opportunities for Psych Techs!

California regulations have recently changed and now recognize Licensed Psychiatric Technicians as direct caregivers in the Skilled Nursing setting

We are looking for **5** Napa Valley College graduates to add to our team!

We have 2 facilities located in Sonoma, CA where we provide the highest level of skilled nursing care for patients who no longer require acute care services, but are not quite ready to return to independent living. We also specialize in memory care and behavioral disorders, and work to maximize quality of life for our long-term residents

Earn up to **\$45/hour** in an environment that provides continued mentorship and career growth opportunities.

Call/text Mike Tully, Executive Director, to set up an interview or answer any questions you may have **707.320.3186**
