

# VETERANS RESOURCE CENTER

BUILDING 1200, ROOM 1233

The NVC Veterans Resource Center was developed to provide student veterans with the resources they need to achieve success in their educational goals. NVC is coordinating with the U.S. Department of Veterans Affairs and area Veterans Centers to increase services available to veterans on campus. The Veterans Resource Center provides a place for veterans to use the computer lab, study, meet other student veterans, attend workshops, or meet with Veterans support staff for information or services.

Because we recognize that veterans are in a unique situation on a college campus, we want to help make the transition from the military to college as easy as possible.

What we provide at the Veterans Resource Center:

- **Personal/Readjustment Counseling\***
- **Academic Counseling** (associate degree, transfer and certificate programs)\*\*
- **Financial Aid Advising\***
