Family Size Information

List below the people in the parent's family size. Family size includes the following:

- The student.
- The student's parents (biological or adoptive, stepparent, or unmarried and both parents living together) even if the student is not living with them. Exclude a parent who has die or is not living in the household because of separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family.
- The student's siblings if the following are true:
 - They live with the student's parents (or live apart because of college enrollment)
 - They receive more than half of their support from the student's parents and will continue to receive more than half of their support from the student parents between 07/01/2025 through 06/30/2026.
- Other persons if the following are true:
 - They live with the students' parents.
 - They receive more than half of their support from the students' parents and will continue to receive more than half of their support between 07/01/2025 through 06/30/2026.
 - For family size that are identifies as "other persons", the parent must explain in detail how they provide more than half of their support in the text box provided below.

The provided criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the student could claim as a dependent on a U.S. tax return if the student were to file a U.S. tax return at the time of completing the 2025-2026 FAFSA. As a result, the student should not include any unborn children in the family size.

***If more space is needed, provide a separate page with the student's name and ID number at the top.**
