## **GENERAL VENDOR INFORMATION**

### **WEBSITE**

Business & Finance oversees the solicitation and administration of contracts with outside vendors.

Vendors may contact Business & Finance at (707) 256-7186 to add their contact information to our vendors list.

### **NEW VENDORS**

New vendors must properly complete **the most current** IRS Form W-9 before the District may select a new vendor when preparing a Purchase Requisition. Prospective vendors should submit their **complete and current** IRS Form W-9 directly to the Business & Finance Office who will review the IRS Form W-9 for completeness. If a prospective vendor fails to properly complete an IRS Form W-9, then the District will not register the prospective vendor in NVC's purchasing system until the District receives a **complete and current** IRS Form W-9.

### **VENDOR PAYMENT & INQUIRIES**

The District's purchase order designates the mailing address for vendor invoices. Vendors should submit their invoices directly to:

Accounts Payable  
Napa Valley Community College District  
2277 Napa-Vallejo Highway  
Napa, CA 94558.

Accounts Payable reviews invoices and routes the invoice to the specific department for approval. By approving an invoice, the department's budget manager is attesting to receipt of all goods and services specified on the vendor's invoices. Budget managers should promptly review and approve invoices and return the invoice to Accounts Payable in a timely manner for final processing and payment.

Any vendor inquiries shall be directed to Accounts Payable at 707-256-7177.

## **PROCUREMENT METHODS AND THRESHOLDS**

### **PURCHASE REQUISITIONS**

*Employees shall not authorize, make any purchases, or incur any charges contrary to the District policies and procedures and applicable legal requirements. Employees who make purchases in advance of having an approved requisition may be personally liable for the charges. Vendors are expected to be knowledgeable regarding the District's procurement practices.*

A Purchase Requisition is a purchase request completed by assigned employees (initiators) within the District's various departments. The department initiator completes a Purchase Requisition and it is then routed through the approval hierarchy. Depending on the department, a Purchase Requisition may require several individuals to approve the purchase request including, but not limited to, the department budget manager and Controller.

When preparing a Purchase Requisition, the initiator must select an existing vendor. If the initiator wishes to use a vendor who is not currently listed in the system, please contact Accounts Payable to register the new vendor into the system *after* the vendor submits a fully completed IRS Form W-9 to [accounts.payable@napavalley.edu](mailto:accounts.payable@napavalley.edu). Once the new vendor exists in the system, then the initiator can then select the vendor for the purchase request and complete the Purchase Requisition.

The following methods of source selection are commonly used by the District to acquire materials, equipment, and services in accordance with BP and AP 6330 and 6340:

### **SMALL PURCHASES (LESS THAN \$5,000)**

Small, consumable items less than \$5,000 may be made by purchase requisition without quote or bid process.

### **INFORMAL QUOTES (\$5,000-\$99,100)**

Three written quotes are required for any goods or services between \$5,000-\$99,100 (or current bid threshold). A District purchase order will be sent to the awarded vendor.

### **PUBLIC BIDDING (>\$99,100)\***

Formal bidding is required for any goods or non-professional services in excess of \$99,100 (or current bid threshold), with the exception of authorized sole source, emergency procurements, and where otherwise permitted by law.

\*The contract bid threshold annual adjustment commences every January 1<sup>st</sup>.

### **COOPERATIVE AND PIGGYBACK AGREEMENTS**

In lieu of seeking competitive bids, as deemed in the best interest of the District, the District reserves the right to utilize current contracts issued by other governmental agencies, cooperative purchasing groups, National Alliances, or other institutions under the same terms, conditions, and pricing structure consistent with the Public Contract and Education Codes.

## **PUBLIC SOLICITATIONS**

### **INVITATION TO BID**

Invitation to Bid (ITB) packages are prepared with specifications, terms and conditions, detailed quantities, instructions for bidding, delivery information and any special requirements for bidding. The date and time of the bid opening is also specified in the ITB.

### **REQUEST FOR PROPOSALS**

Request for Proposals (RFP) are often used for purchases of professional services or where otherwise allowed by law. The RFP includes the relative importance of cost to the District with other evaluation factors such as experience, qualifications, participation of local, minority, disabled veteran, and women-owned businesses, past performance, or other relevant criterion. RFP's are designed for selection of the responsible offer or whose proposal is determined to be the most advantageous to the District, taking into consideration the evaluation factors set forth in the RFP. Rather than detailed specifications, which are contained in sealed bid, the RFP generally includes a series of objectives and scope of work to be accomplished.
