

Dual Enrollment

NVC College Classes

NVUSD

NAPA VALLEY UNIFIED SCHOOL DISTRICT

Overview:

A student may complete a maximum of converted 40 high school credits in college courses outside of CCAP high school courses to be credited toward high school graduation when it is determined by the student, parent/guardian, and counselor that the student is, for appropriate cause, unable to take the course of study offered at a high school. Dual enrolled CCAP courses taken through the students' high school of record shall not be used as part of the converted 40 high school credits. Students may enroll in additional courses that exceed the A-G graduation requirements for further study.

Board Policies and Administrative Regulations Governing Concurrent Enrollment

[Board Policy 6172.1](#)

[Administrative Regulation 6172.1](#)

Credit Translation for High School Credit:

Students may count any 3 unit, 4 unit, or 5 unit UC/CSU transferable course (100 level or above) as the equivalent of a year long high school course and receive up to 10 high school credits, unless otherwise specified (see page 2).

- For all other community college courses except Physical Education, 1 college unit = 1.5 high school credits. For Physical Education, 3 college units (2 classes) = 10 high school credits.
 - Students may receive a weighted GPA for up to four UC/CSU transferable courses entered on the High School transcript.
-

Enrollment Process (High School Credit or College Credit)

- Complete your school's [NVC High School Permit to Attend](#)
 - Find your assigned schools permit to attend under the High School Student Forms Section
 - Review with Parents/Guardians and Counselor.
 - Ensure that you include your High School on the Permit.
 - Determine if you are taking a course for High School Credit.
 - Ensure class for High School Credit is on the Approved List on the next page.
-

Questions

- If wanting to take courses that are not at Napa Valley Community College please email your high school counselor for permission and ensure courses are appropriate.
- Contact your high school counselor, on-site NVC counselor or NVC high school ambassador
