Entirely Online	Permanent
Hybrid	Permanent

## SECTION E - Course Content

### Student Learning Outcomes

Upon satisfactory completion of the course, students will be able to:	
1.	Identify the vocabulary people use to identify their sexual orientation and their gender identity.
2.	Discuss how sexual orientation and gender identity minorities are impacted by family, education, and communities.
3.	Identify the significant historical, social, cultural, and civil rights issues impacting the LGBT community.

## Course Objectives

Upon satisfactory completion of the course, students will be able to:	
1.	Discuss the origins of stereotypes related to the LGBT people, families, and community.
2.	Analyze the various ways people identify their sexual orientation and their gender identity.
3.	Examine sexual orientation and gender identity issues in African American, Latino, and Asian families and culture.
4.	Identify key LGBT individuals and describe their roles and contributions to society.
5.	Examine the evolution of LGBT civil rights and the impact on families, education, and the community.
6.	Explore the impact of hate crimes on the LGBT community, education, and the community at large.
7.	Describe the meaning and expression of "LGBT pride" in different communities and cultures.
8.	Examine the evolution of LGBT culture in the media.
9.	Explain gender dysphoria and the transition process.
10.	Discuss the evolution of AIDS and its impact on the family, education, and community.
11.	Discuss the challenges LGBT youth face in "coming out" from family, schools, and the community.
12.	Describe the variety of LGBT family structures and the challenges LGBT people face in creating a family.
13.	Examine LGBT culture and the various sub-cultures found in the Bay Area.
14.	Discuss the origins of stereotypes related to the LGBT people, families, and community.

## Methods of Instruction

### Methods of Instruction

Types	Examples of learning activities
Discussion	An instructor-facilitated discussion of privilege related to sexual orientation and gender identity.
Field Trips	A walking tour of the San Francisco Castro neighborhood and GLBT Museum.

Activity	Create a digital exhibit of one aspects of LGBTQ+ history presented to the class.
Lecture	An instructor-lead lecture on LGBTQ+ issues in schools.

### Instructor-Initiated Online Contact Types

Announcements/Bulletin Boards  
 Chat Rooms  
 Discussion Boards  
 E-mail Communication  
 Telephone Conversations  
 Video or Teleconferencing

### Student-Initiated Online Contact Types

Chat Rooms  
 Discussions  
 Group Work

### Course design is accessible

Yes

## Methods of Evaluation

### Methods of Evaluation

Types	Examples of classroom assessments
Exams/Tests	<p>A mid-term examination with multiple choice or essay questions based on the textbook, articles, or other handout material.          For example:          1. Which of the following terms describes the conflict between one's birth sex and one's gender identity?          2. Discuss some of the obstacles youth face when coming out about their sexual orientation.</p> <p>A final exam that includes short essay questions related to course and or program level outcomes.          For example:          Identify three significant historical, social, cultural, and civil rights issues impacting the LGBT community.</p>
Projects	<p>A term-length project and presentation.          For example:          Select a period of LGBTQ+ history and create a digital exhibit containing at least 5 artifacts. Present the exhibit to the class.</p>
Essays/Papers	<p>Weekly short essay questions about reading assignments from the textbook or videos.          For example:          1. Who was Dr. Magnus Hirschfeld?          2. What is the Fair and Inclusive Education Act?</p>
Quizzes	<p>Periodic quizzes with multiple-choice questions related to assigned reading, class lectures, and videos.          For example:          1. Who created the rainbow Pride flag?          2. Which of the following is true about marriage equality?</p>

## Assignments

### Reading Assignments

Reading Assignments may include selected chapters from the textbook, news articles from print or Internet publications, or handout materials provided by the instructor.

For example:

1. Read Chapter 1, "Before Identity" from the course textbook.
2. Read an article from a current LGBT news publication or local news paper relating to the LGBT community.

### Writing Assignments

Writing Assignments that require students to think critically about reading assignments, class discussions, or guest speakers.

For example:

1. A journal assignment requiring an entry for every class reflecting on what the student learned.
2. Write an essay about a book selected from a reading list related to the course content.

#### **Other Assignments**

Other Assignments may include supplementing classroom activities with field trips, group projects, and/or guest speakers.

For example:

1. A field trip to the GLBT History Museum.
2. A group oral presentation based on a reading or specific course topic.
3. A guest speaker to discuss their experience with gender dysphoria and the transition process.
4. A panel presentation from LGBT youth about the challenges they faced coming out.
