Napa Valley College- Health Occupations Department

Intravenous Therapy (I.V.) Certification Course- Registration Instructions

HEOC 372 – 76994

This course is designed to prepare students to administer intravenous fluids using the fundamental principles and competencies required to begin, maintain, and discontinue intravenous therapy. This is not a phlebotomy course!

If you have never taken a course at Napa Valley College, you must apply online here:

[Apply \(opencccapply.net\)](https://opencccapply.net)

Once you complete this application, it will take 24 hours to receive your student number.

You **must** have an RN or LVN license (or be a fourth-semester RN or LVN student OR an NVC ADN third- semester student).

All must be verifiable.

- Scan it and email your license to: Cindy Miller, HEOC Administrative Assistant:
cmiller@napavalley.edu

After verification, HEOC will have you fill out a form which we will EMAIL at that time. Make sure you write clearly and sign on the student signature line. EMAIL the completed form to cmiller@napavalley.edu

You will not be officially registered until you receive an email from Margarita Ceja, Admissions and Records, Napa Valley College. At that point, you will have only seven (7) days to pay your fees of approximately * \$142, includes class, syllabus, and lab pack (price subject to change). You may pay either in person at the Cashiers Office in Building 1500, or online at www.napavalley.edu (Self Service) Please note: Anyone requesting I.V. Certification from the BVNPT, will be required to submit a check made out to theBVNPT for \$20. More explanation during class.

You must attend all four days:

- 5/3/24 – 5/4/24 (7:30AM - 4:30PM, Building 800, Room 814) and
- 5/10/24 – 5/11/24 (7:30AM - 4:30PM, Building 800, Room 814)

You cannot be late, and you cannot leave early.

1.5 units

\$46 per unit, plus other student fees apply.

*If you cannot prove California residency of at least one year, you will have to pay out of state college fees.
