

POLICE

Our Mission

To create a greater awareness of the gay, lesbian, bi-sexual, and transgender professionals working in law enforcement and to support those pursuing a law enforcement career.

We provide training, grants for law enforcement, and scholarships to law enforcement recruits who are "out" as gay, lesbian, bi-sexual, transgender, or a straight ally and who are outstanding role models for their fellow professionals.

Out To Protect Incorporated is a 501(c)(3) tax exempt organization. All donations made to Out To Protect are fully tax deductible. We are a recognized and registered public benefit corporation. Our goal is to give out 90% or more of every donated dollar in the form of scholarships for LGBT students wishing to attend a law enforcement academy in the United States.

We also support educational programs and projects that increase the awareness and success of gay, lesbian, bi-sexual, and transgender law enforcement professionals.
