What, Why & Benefits of Starfish Early Alert

What is Starfish?

- A retention tool that **Napa Valley College** will utilize to improve student success, including retention and graduation rates.

- A **collaborative effort** between the campus staff, faculty and administrators (Student Success Networks) to ensure student success and persistence.

Starfish Features

- Raise Flag on Student when needed (Early Alert Notification)
- Canvas Integration for Faculty
- Give Students Kudos
- Progress Surveys (No more paper!)
- Send Students To-Do's
- Make referrals to campus services (Advising/Counseling, Tutoring, etc)

*Just some of the features of Phase 1 for NVC - Spring 2021.

What, __Why__ & Benefits of Starfish Early Alert

- High number of students on Academic Probation and Dismissal
  - Special Emphasis on Probation 1 Students (Academic and/or Progress)

- BP/AP Policy on Academic Probation and Dismissal

- CCC Best Practices and Models
  - Los Medanos, Contra Costa, El Camino, Bakersfield, Crafton Hills
  - Explored and reviewed SARS Early Alert and Starfish Early Alert

What, Why & **Benefits** of Starfish Early Alert

1. Access useful information on your students on one screen (Canvas Integration)

2. Quickly provide feedback on students and help connect them with services

3. Stay informed on a student through the Referral process, "Closing the Loop"

4. Provide positive reinforcement of successful behaviors

**5.** Communicate with students individually or in groups

6. No more paper Mid-Term Evaluations! All electronic process through Starfish
