

Napa Valley College 2025-2026

General Education

Associate of Arts (A.A.) and Associate of Science (A.S.) degrees

Effective fall 2025 through summer 2026

Review the 2025-2026 catalog for detailed information. The courses listed below fulfill the Napa Valley College General Education, Health Wellness and Self Development graduation requirements for the Associate of Arts and/or the Associate of Science degree. If you are a transfer student, consider choosing only courses that appear both here and on the appropriate intersegmental general education worksheet. Note: For transfer students, Cal-GETC replaces the IGETC and CSU GE breadth patterns beginning FA 2025. Students who have already earned a bachelor's degree or higher from a regionally accredited university are exempted from NVC GE and graduation requirements. A course may be used for only one general education category. Students are required to complete a minimum of 21 semester units in Areas 1-6 below per updated [Title 5 Sec. 55061](#). Please check with [General Counseling](#) and [ASSIST.org](#) for current information. NEW: Common Course Numbering begins fall 2025. The course numbers beginning with **C** identify them as a part of this new numbering system.

LEGEND: C = Completed units; IP = In Progress units; N = Needed units. New courses are in **bold** and lab courses are underlined.

Area 1: ENGLISH COMPOSITION, ORAL COMMUNICATION, AND CRITICAL THINKING (2 courses; 6 semester units)
