

Student Success & Support Program (SSSP)

State laws and regulations from the Student Success Act of 2012 require that:

New Students

Must complete Assessment, Orientation, and Counseling/advisement to obtain enrollment priority.

Program-based New Students

Must complete Assessment, Orientation, and Counseling/advisement. If you have qualifying status at Napa Valley College as active duty military, veteran, current or former foster youth, DSPS, and/or EOPS, complete assessment, orientation and counseling/advisement to get enrollment priority.

Continuing Students

If you have a cumulative GPA under 2.0 for two consecutive semesters, you will be on Academic Probation. If you are placed on Academic Probation for two consecutive semesters you will lose enrollment priority until you accumulate a GPA of 2.0 or higher.

If 50% or more of all the units you have attempted end up as W, I, NP, or NC grades, you will be placed on Progress Probation. If you are on Progress Probation for two consecutive semesters, you will lose enrollment priority.

If you have more than 100 degree applicable units, you will lose enrollment priority. Certain courses are excluded from the total. This requirement is currently in effect.

Note: Assessment, Orientation, and Counseling is required for all first-time, new-to college students. Detailed information is available from Counseling Services online and on campus.
