Associate Degrees for Transfer Frequently Asked Questions & Information

AA-T/AS-T DEGREE REQUIREMENTS:
- Completion of AA-T/AS-T major course requirements in combination with the CSU-GE or IGETC for CSU pattern.
- Complete a minimum 60 CSU transferable units with a 2.0 GPA.
- Students do not need to complete NVC GE (AA/AS) or additional graduation requirements when seeking an AA-T or AS-T degree.

AA-T/AS-T Degree Benefits:
- Students with AA-T/AS-T degrees are guaranteed a comprehensive admissions review by the University of California system.
- The ADT secures priority admission consideration and guarantee into the CSU system; however, it does NOT guarantee admission to a specific California State University campus or major.
- When accepted into a similar major at a CSU (“similar” is defined by the CSU campus), the student need only complete an additional selected 60 units of coursework at the CSU to complete the bachelor’s degree. Students should check with a Counselor to see if their major is deemed similar at the CSU campuses they plan to apply to or if using IGETC UC pattern to transfer is recommended. PARTICIPATING INDEPENDENT, NON-PROFIT UNIVERSITIES IN CALIFORNIA

The Association of Independent California Colleges and Universities (AICCU) officially partnered with Associate Degree for Transfer, and is offering a pathway to transfer. The ADT Commitment is similar to the CSU ADT, there are also some differences due to the independent nature of the state’s nonprofit institutions: Unlike CSU, AICCU institutions are not part of a system and each campus has its own admission and graduation requirements. If an ADT transfer student meets all the requirements of admission to a participating institution, admission is guaranteed to that college as opposed to a system.

The ADT Commitment is:
- Guaranteed admission for the ADT students meeting admission requirements;
- Guarantees a minimum of 60 semester/90 quarter units will transfer;
- Guarantees the student starts with junior standing.
