What is the Common Application?

The Common Application is an undergraduate college admission application that applicants may use to apply to any of more than 900 member colleges and universities in all 50 states and the District of Columbia, as well as in Canada, China, Japan, and many European countries.

There are 36 colleges and universities in California that use the common application for admittance. A few of those colleges are: California College of the Arts, Holy Names University, Menlo College, Saint Mary's College of California, Stanford University and University of San Francisco.

The deadlines for the common application vary by institution. Please go to their websites to learn more about specific requirements and deadlines. You can also use the common application website to explore colleges.

Application Help

What is an open lab? It is an opportunity for you to get your application questions answered. It is an hour where Counselors and our Student Affairs Specialist are available to assist you in filling out the CSU, UC and Common applications. You may come and go as needed during the lab, however registration is required.

Only 2 Open Labs remain for the semester: November 29 & 30. Register HERE

HOW CAN I GET HELP?

We recommend that you work with a counselor and the Transfer Center to complete the transfer process.

Consider the following:

1. Attend a workshop
2. Meet with our Student Affairs Specialist (Omar Peña) for general transfer guidance
3. Meet with a transfer representative from a school that you are interested in attending
4. Make an appointment with a counselor. A counselor can help you update your ed plan and assist with Spring 22 classes.
