As a Napa Valley College student, you have access to transfer representatives from CSU, UC, Private and Out of State systems through ConexED's Cranium Cafe. That is the same system that you use to meet with a NVC Counselor. Please review our newsletter to see all of the amazing school representatives that you can meet with.

Gina Clayton is our UC Berkeley representative and she has a few remaining dates for the semester. Did you know that UC Berkeley was recently named the Top College by Forbes Magazine?

Ricardo Calderon is your Sonoma State Univ. representative and he has a few remaining dates for the semester. Did you know that Sonoma State offers 92 Bachelor's degrees, 19 Master's degrees, and 11 teaching credentials?
Rachel Seah is your San Francisco State University representative and she is happy to meet with you to discuss your transfer journey. Did you know that SF State offers 118 different bachelor's degrees, 94 master's degrees, and 5 doctoral degrees along with 26 teaching credentials?

Tania Ochoa is your representative from Southern New Hampshire Univ. SNHU is a private, nonprofit institution that has a partnership with California Community Colleges. You can transfer with up to 90 units and receive a 10% tuition discount savings for all undergraduate and graduate online degree programs.

Craig Means and Memphis Latchison are your representatives from St. Mary's College of California. Saint Mary's is a private, Catholic college in Moraga, California. The college offers 41 majors and minors. Also ranked #105 for Liberal Arts Colleges by U.S. News.
Laura Villa is your representative from **California State University—Chico**, which is a public institution that was founded in 1887. CSU Chico offers more than 300 fields of study and more than 200 student clubs. The college is ranked #17 in Best Colleges for Veterans (U.S. News).

**Palo Alto University** is a private university that focuses on psychology. PAU offers bachelor's, master's, and doctoral degrees. Interested in Psychology, Counseling, or Business? Want to learn more about the financial aid and scholarship opportunities? Ask Nick Lapido. He is your representative from Palo Alto University.

Aaron Russell is your representative from **Grand Canyon University**. GCU, an accredited university located in Phoenix, offers a variety of online degree programs to help you advance your career all while backed by the legacy of a traditional campus. Students may take classes online and on campus (day and evening options available).
Jessica Sotuyo-Torres is your representative from **CSU Maritime Academy.** Cal Maritime is located in Vallejo, Ca. It is one of 23 campuses in the CSU system and the only maritime academy on the United States West Coast. Cal Maritime offers undergraduate degrees preparing students for careers in engineering, transportation, international relations, business, and global logistics. A new oceanography degree program launched in the fall of 2020. Cal Maritime also offers a master’s degree in Transportation and Engineering Management, as well as a number of extended learning programs and courses.

Robert Bassin is your transfer representative from **Dominican University of California.** It is a private university in San Rafael. They offer more than 60 majors, minors and concentrations. Also, Dominican offers graduate programs in a variety of business, health, science, education, and creative fields. So many great opportunities. For example, they just added a Planetary Health Minor.

Chelsea Mooney is your representative from **Humboldt State University.** Exciting news: they are developing a proposal to become the CSU’s third Polytechnic university, and the first in Northern Ca. The unique environment of coastline and Redwood forest create natural microclimates which allows for hands on education in several STEM disciplines.
Located in Riverside, California, **La Sierra University** is acclaimed for its academic quality, opportunities for research at both the undergraduate and graduate level, community service emphasis, and demographically diverse student body. Students thrive in the small, professor-taught classes where academic topics are investigated and Christian faith is a cornerstone of education. Sarah Spencer is your transfer representative.

Located in Atherton, California, **Menlo College** is a small, private, non-profit school that focuses on business education with a strong liberal arts emphasis. Menlo College has a total undergraduate enrollment of 894 (fall 2019). There are 30+ clubs and student organizations. Isabella Aguilar is your transfer representative.

**University of Massachusetts Global**, formerly Brandman University, is designed especially for working adults. UMASS has five schools which offers a wide range of degrees and programs in online, on-campus and hybrid formats. Ask Barbara Bartels, your transfer representative, about the "Degree with a Guarantee" California Community College transfer program.
Your transfer representative from **Pacific Union College** is Pauline Cidro. PUC is a private Christian liberal arts college located in Angwin, CA. PUC has over 25 programs to choose from. It has a teaching and learning center where students can go to receive advising and tutoring. PUC offers both study abroad and internship opportunities.

Anne Seed is your transfer representative from **Samuel Merritt University**. Samuel Merritt University has the following programs:

- Nursing
- Physical Therapy
- Physician Assistant
- Podiatric Medicine
- Occupational Therapy

Make a virtual appointment with Nima Gholamzadeh to learn more about **National University**. NU is an accredited leader in over 75 online & on-campus bachelor's and graduate degree programs. Meet with the representative to see if NU is right for you. Do not forget to ask about the ADT scholarship!
Meet with Sergio J. Maravilla, our University of San Francisco transfer representative. He can answer your transfer questions. Did you know that USF is a private school in the heart of San Francisco and has less than 6,000 undergrads? Make an appointment to learn more about what USF has to offer.

ArtCenter College of Design offers a new model for art and design education in the 21st century. ArtCenter’s curriculum is highly specialized, with students starting directly in a major from day one and taking approximately 2/3 of their curriculum in specialized studio courses unique to their major. The College offers 6 Bachelors of Fine Art and 5 Bachelors of Sciences programs.

Cal State East Bay serves the Bay Area as part of the California State University system, providing access to higher education for a diverse student body. It offers 136 undergraduate and 60 post-baccalaureate areas of study. Jamee Robbins is your transfer representative. Make an appointment with her to learn more about CSU East Bay and to see if it's the right school for you!
Make a virtual appointment with Adra Bowman to learn more about UC Santa Barbara. UCSB is a leading center for teaching and research located on the California coast – truly a learning and living environment like no other. Meet with the representative to see if UCSB is the place to be!

Don't see the College/University that you are interested in when you make an appointment? Fill out this appointment interest form and we will assist you.
