

**The Campus Assessment Response and Education (CARE) Team** strives to promote individual success and well-being while prioritizing safety on campus.

If you have a concern about someone within the campus community please reach out to *your* CARE Team.

The Care Team responds to reports of unusual or concerning behavior by systematic assessments and intervention. The team manages each case by identifying and collaborating with the most appropriate resource(s) to resolve the situation and maintain the wellbeing of all involved. The team also provides outreach and education to the campus community about behaviors of concern.

**To notify the CARE Team or for questions/concerns/training please call 707-256-7776 or email [CARE.TEAM@napavalley.edu](mailto:CARE.TEAM@napavalley.edu)**
